## Terms of Reference for Implementation citizen science approach to monitor water quality for safely managed water in Terai and Bagmati Region.

Welthungerhilfe (WHH) is seeking proposals for a study on water quality and sustainability in Siraha, Saptari, and Makwanpur districts of Nepal. The project aims to assess the functionality of mini laboratories and water test kits, implement a citizen science approach with school children for water quality monitoring, and advocate for local government investment in water quality and hygiene initiatives. The study will also evaluate sustainable business models for mini laboratories and field test kits. Key deliverables include assessment reports, workshops, and a final sustainability study. Proposals should be submitted by 20 February 2025 with a technical and financial offer, along with CVs of key team members. The consultant must have experience in WASH, data management, and \*\*policy advocacy.

**Deadline:** 20th February , 2025.

## Call for EOIs: USAID End Wildlife Crime Program

The U.S. Agency for International Development (USAID) is inviting proposals for the End Wildlife Crime (EWC) Program, aimed at combating wildlife trafficking and conserving biodiversity across Southeast Asia. This program focuses on strengthening civil society organizations (CSOs) and regional coalitions through advocacy, social mobilization, and behavior change campaigns, with an emphasis on inclusivity of underrepresented groups like women, youth, and Indigenous Peoples. The program supports regional cooperation, capacity-building, and the development of policies to reduce wildlife crime. Grants ranging from \$25,000 to \$200,000 will be awarded to eligible NGOs, coalitions, and private sector organizations with operations in multiple USAID EWC focus countries. Eligible applicants must have experience in social behavior change, wildlife conservation, or related fields within the past five years.

**Deadline:** 24 February, 2025

## Consultancy Service on “Reduce Food Waste and demonstrate the wise utilization methods to the public”

The Institute for Social and Environmental Transition–Nepal (ISET–Nepal) has issued a Request for Proposal (RFP) to develop a consultancy service aimed at reducing food waste and demonstrating its wise utilization in Kathmandu. The RFP seeks innovative proposals from Nepali organizations working on waste management to address the growing issue of food waste, which contributes to environmental degradation and waste management challenges. The project will focus on creating sustainable waste reduction strategies and processing systems, with the goal of benefiting a larger population. Interested applicants must submit proposals by February 18, 2025, and meet eligibility criteria such as a minimum of 5 years of experience in the sector.

**Deadline:** 18 February, 2025

# E. DPNet Nepal Updates

## DPNet Nepal conducted a residential discussion program to develop the DPNet Strategic Plan of Action 2025–2030

DPNet Nepal held a residential discussion on February 14–15, 2025, in Sankhu to develop its Strategic Plan of Action 2025–2030. Chaired by Dr. Raju Thapa, the event engaged stakeholders to refine strategies on Policy Advocacy, Coordination, Capacity Building, and Knowledge Management. Key discussions emphasized stakeholder collaboration, resource mobilization, and a strong MEAL framework for effective disaster management in Nepal.
